Discuss the following vocabulary words and bulleted points. Answer the question.

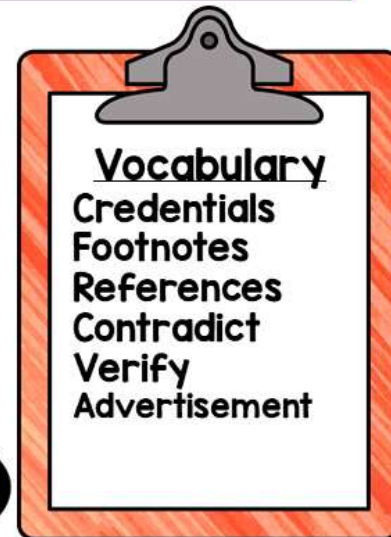

# Evaluate a Website

© Brittany Washburn

- I can evaluate whether or not I want to trust the information I find on a website when doing research
- I can find the author of an article on a web page

Where can you look for the author on a web page?

# Vocabulary Words

**Someone's credentials** are their previous achievements, training, and general background, which indicate that they are qualified to do something.

**A footnote** is a note with added information that is placed below the text on a printed page.

**References** are all the sources you've used in your project.

To **contradict** is to say or do the opposite of what you mean.

To **verify** is to make sure of the truth or correctness of.

An **advertisement** is anything that draws good attention to a company's product, service, or idea and encourages people to buy them.

# How To Spot Fake News.....

Click [here](#) to watch a video.

Or go to this site: <https://safeYouTube.net/w/vgH2>

Color the Keyboard worksheet to match this picture. Then hand in the worksheet by putting in your packet by Friday at noon.

# Optional Activity

If you have access to a computer, you may practice keyboarding at this website: <https://www.typing.com/student/login>
